RESPONSE TO RESTRICTION REQUIREMENT

Dear Sirs:

In response to the Restriction Requirement dated October 25, 2005 ("the Action"),

Applicants submit as follows:

Applicants hereby elect Group I, i.e., claims 1 to 6, 20, and 33, drawn to products of
formula (I).

The Action also requests an election of species for a particular species of the
compound represented by formula I. In response, Applicants hereby elect the species 3-
guanidinocarbonyl-1-(7-methyl-7H-pyrrolo[2,3-d]pyrimidin-4-yl)-1H-indole hydrochloride,

, which is the subject of Example 7 at page 33 of

the present specification.

Applicants reserve the right to pursue the non-elected subject matters in one or more divisional applications prior to issuance of a patent on the instance application.

If the present restriction requirement is maintained, Applicants request respectfully that, upon identification of allowable subject matter of the elected product claims, the non-elected method of treating claims commensurate in scope with the allowed product claims be rejoined in accordance with MPEP § 821.04. If such should occur, Applicants request the opportunity to further amend the rejoined method claims prior to their examination.
